

To help meet the increasing needs of its member companies and their employees, the TIA has expanded its insurance offerings with TIA TennisInsure™. In addition to business insurance specifically created for the tennis industry, the expanded TennisInsure™ program now offers health & supplemental insurance through eHealth & Aflac which provides complete coverage for you and your employees.

WHY SHOULD YOU PARTICIPATE?

- Top Insurance companies offering all lines of coverage
- Specialized coverage to meet TIA member’s business needs as a manufacturer, retailer, distributor, court contractor or facility
- Preferred pricing based on centralized underwriting expertise and program volume
- Flexibility to meet the needs of all TIA Member companies regardless of size
- Quality Claims Management and Loss Control services

This comprehensive insurance program, **specifically created for Facilities and Clubs and their employees, Manufacturers, Retailers, Distributors and Court Contractors** of tennis products and services, provides industry specific business & health insurance solutions with great rates from Citadel Insurance, eHealth and Aflac programs.

- TennisInsure™ Business Insurance works directly with you to provide the best possible service and coverage with competitive pricing. TennisInsure™ eHealth & Aflac Programs, because of the nature of the product, has exclusive offerings and coverage pricing and involves no middleman for your benefit.
