

TIA Affinity Partners Program

Membership Benefits & Services as of 11/1/09

Member Card Services

• CapitalQ

educates merchants so they can make better decisions regarding their credit-card processing. Competitive **True Interchange Pass-Through Pricing** is provided to all merchants along with personal customer service. CapitalQ is your Concierge for payment solutions.

• Infinity Business Group, Inc.

is a payment processing, risk management and fraud prevention company. Some of the benefits offered include:

- A free analysis of your current processing statement to identify possible savings and upgrades.
- Free check recovery through FARS Electronic Check Recovery Service.
- Free Equipment upgrades to assure you are compliant with the new Federal Regulations on security (PCI/DSS).
- 24/7 customer support, with a call center located in North America, for fast resolution of any issue that might arise.
- Competitive, customized processing solutions created for each Association member.

• Preferred Card Services

has saved retailers hundreds to thousands of dollars per year with one of the most competitive credit-card programs in the country. **Credit-card processing rates are as low as 1.23% + \$.0.25 per transaction.** With many Fortune 500 companies as customers, Preferred Card Services will pass on these significant savings to your business, too.
