

To help meet the increasing needs of its member companies and their employees, the TIA has expanded its insurance offerings with TIA TennisInsure. In addition to product liability insurance for manufacturers, the expanded TennisInsure program now offers facilities and retailers commercial liability, workers' compensation insurance in addition to property, auto, and umbrella policies.

#### WHY SHOULD YOU PARTICIPATE?

- Top Insurance companies offering all lines of coverage
- Specialized coverage to meet TIA member's business needs as a manufacturer, retailer or facility
- Preferred pricing based on centralized underwriting expertise and program volume
- Flexibility to meet the needs of all TIA Member companies regardless of size
- Quality Claims Management and Loss Control services

This comprehensive insurance program is **specifically created for Facilities and Clubs and their employees, Manufacturers, Retailers, and Court Contractors** of tennis products and services, provides industry specific business insurance solutions with great rates from Axiom Insurance, a highly rated national insurance company.
